Look at those cheeks! This sweet baby girl had a heart transplant in February and is now recuperating with her mom and 5-year-old twin sisters, Tionna and Tamara, in the Baer-Hart House. Born healthy, without heart issues, Kizzy developed hypertrophic cardiomyopathy which required a life-saving heart transplant. Hypertrophic cardiomyopathy is a condition where the heart muscle becomes abnormally thick, making it difficult for the heart to pump blood.

Her recovery is going well. The girls are LOVING the pool at Stone Creek Village. The family was able to return home to Williamsburg, VA this week.

# Catching Up With YDF Kids

## **SILAS: One Year Kidney Transplant Anniversary**

Silas's grandma reached out to us recently, giving us an update about Silas. **Silas and his family stayed with Yellow Door last spring when he underwent a kidney transplant.** The new kidney is working great allowing him to grow like crazy!

*"I wanted to share an update about Silas. He celebrated his 1 year anniversary post kidney transplant on 5/10. He has had a remarkable year! His new precious kidney has been working beautifully for him. Every Dr. visit he has had his kidney numbers have been right where they should be. We are praising the Lord for what he has done for Silas. I follow you through Yellow Door regularly & just wanted to let you know what a blessing you & your foundation have been for our family & all of the families that benefit from Yellow Door & your kind generous heart. Thanks again for all you did for our family a year ago. We will always be grateful! God bless you & your mission through Yellow Door!"*

### **GRACIE: Beach Hair, Don't Care!**

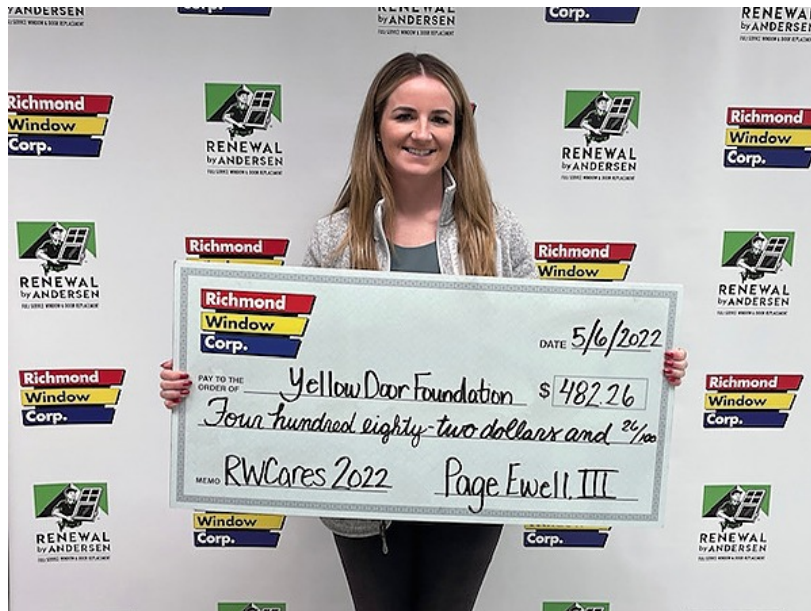

Mom shares: "In October 2018 Gracie underwent a Liver Transplant due to Hepatoblastoma at the age of 5. We were blessed to be able to stay at a Yellow Door apartment for her recovery after being discharged from the hospital. In September 2021, Gracie got to ring the bell since she completed her chemotherapy.

She has definitely loves just being a kid! Gracie loves anything outdoors but if you find her inside, she's normally drawing! She just finished 2nd Grade and wrapped up softball season last month. Gracie and her family enjoyed a beach week recently where she always had her hands full of shells to bring home!

**Overall she's just being an 8 year old girl and really tries to not let things get in her way!"**

**Yellow Door Benefits from RWC  
Cares Program**

At the end of each calendar year, Richmond Window uses a formula to determine the dollar amount the company will use to split and donate in-kind, for each eligible employee.

The program is called #RWCares and we are excited to be chosen by their staff to receive this \$482.26 donation!

**YOU Can Open Doors!**

We are thrilled to announce the opening our sixth apartment at **Stone Creek Village**, a three-bedroom that will be known as Fox Hollow. We hope to have it ready to go by mid July. We are so very grateful to our donors.
