OUR FAMILY UPDATE BLOG

CAMREN

Hi Yellow Door Friends,

My name is Camren and I just got to Starr Hill a few days ago. I'm 12 years old and I love the corduroy in my room—it's super comfy. On September 10, I got a brand-new heart after doctors found out I had heart problems when I had 3 strokes.

My mom stays here with me, and my siblings come on weekends. When I'm not resting, I like football and basketball. My favorite teams are the Miami Dolphins and the Lakers (especially LeBron James!). Oh—and my favorite color is blue.

Thank you for making Yellow Door possible. You've made a hard time feel a little brighter for me and my family.

♥ , Camren

Thank you for making
Yellow Door possible.

CODY

Hi Yellow Door Friends,

It's me, Cody! I'm happy to say I've finally reached my goal of being discharged from the hospital to Maggie's Place at Yellow Door.

I got a new heart in July and due to complications, had a much longer hospital stay than anyone expected.

Thought I'd share a picture of all the daily meds my mom and I keep up with.

Thank you for making a place like Maggie's Place possible for families like mine. It means the world to have somewhere to call home while I keep getting stronger.

Thank you for a place to heal close to my care team!

GRACIE

Hi Yellow Door Friends,

My name is Gracie and this October I'm celebrating 7 years with my new liver! ❤️ It's also Liver Cancer Awareness Month, which makes it extra special.

I stayed at Yellow Door during my transplant, and I'm so thankful for everything you do for kids like me and our families. Now I'm in 6th grade and loving middle school—I even get to be a cheerleader!

Thank you for helping me and so many other kids keep smiling and reaching our dreams.

Go Team Yellow Door!
Love,

❤️, Gracie

*Celebrating 7 years with
my new liver!*

MAZEE

Hi Yellow Door Friends,

My name is Mazee! When I was a baby, I was born at just 28 weeks and stayed in the NICU for a few months. My mom and dad stayed at Yellow Door so they could be close to me.

Now I'm 5 years old and in kindergarten! My favorite thing about school is recess—I love playing outside.

This month I worked at my big sister Ray Ray's lemonade stand at the YDF golf tournament. I think it should now be called Mazee's Lemonade Stand! What do you think?

Thank you for helping my family when I was tiny. You made a big difference.

♥, Mazee

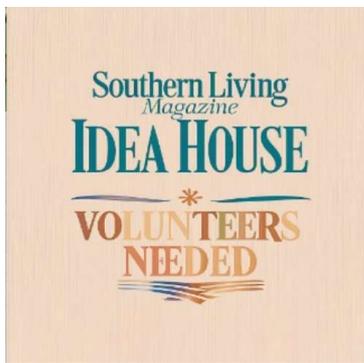

I loved being part of the golf tournament this year!

Volunteers Needed

Volunteer at the Southern Living Idea House and Make Every Hour Count

The Southern Living Idea House is open Thursdays through Sundays from August 14 to December 21.

Sign up as an Idea House Docent and turn your time into tangible impact—each hour you volunteer generates a financial donation to Yellow Door Foundation.

Lend your time, support families, and be part of something beautiful.
