# YDF Delivers Thanksgiving Meals

Thanks to our incredible Yellow Door Meal Ministry volunteers, **our families enjoyed a Thanksgiving filled with the comfort of a good meal.** Last week, our amazing team assembled full Thanksgiving dinners — complete with turkeys, delicious sides, and pies for dessert.

A special thank you to the Emergency Food Network for once again providing gift cards for turkeys and holiday extras; to our dedicated volunteers who prepared and donated sides; and to **Gretchen, Mel, and Susan (left to right), whose organization and delivery efforts made it all come together.**

Because of you, our families enjoyed a holiday that felt a little more like home.

**GI  ING  
TUESDAY**

**Giving Tuesday is tomorrow**—a moment to pause between Black

Friday, Small Business Saturday, and Cyber Monday to recognize the incredible work nonprofits are doing across the country. From education and veterans' services to health and human services, food insecurity, animal welfare, and so much more, these organizations pour their hearts into making our communities stronger.

**We encourage everyone to take a moment this Giving Tuesday to support a cause that speaks to them. And we hope the Yellow Door Foundation will be your charity of choice.**

At Yellow Door Foundation, **89 cents of every dollar goes directly toward providing comfort and care for families** navigating their darkest moments while their children receive life-saving medical treatment at UVA Health Children's. Your generosity truly has a lasting impact.

**Please consider sharing our mission with your friends and family this Giving Tuesday and introducing someone new to our cause. Every gift—of any amount—adds up to make a real difference.**

## **Here's how your Giving Tuesday donation can directly help a family:**

- \$25 helps provide a comfort meal at check-in.
- \$75 provides one night of comfort and care in a two-bedroom apartment.
- \$150 helps replace bed and bath linens in a one-bedroom apartment.
- \$200 supports the cost of rigorous apartment cleansing between families, ensuring a safe environment for immunocompromised children.
- \$300 covers utilities and insurance for one apartment for an entire month.
- \$2,250 provides a full month of lodging for a family whose child is receiving life-saving pediatric medical care. (Our average stay is 93 days!)

**Thank you for helping us keep families close, cared for, and supported—today and all year long.**
